

# YourCause GrantsConnect

Grantmaking Software made for Corporations

Acquired by Blackbaud in 2019, YourCause is a Software as a Service provider that helps 500+ organizations power their social good initiatives. Our GrantsConnect platform offers a suite of management and engagement tools designed to simplify the grants management process. GrantsConnect was designed to meet the unique needs of corporate grantmakers and can be used in simple and complex programs alike.

## Key Benefits of GrantsConnect

**Make the Application Process Easy for All**  
Pre-Qualification Surveys - Invite Only Programs - Custom Form Builder - Charity Vetting Services

**Settings to set you up for Success**  
Role-Based Access - Automated Workflows - Collaboration features - Individual or Committee Reviews - Single Sign-On Authentication

**Centralized Communications & Relationship Tracking**  
Custom Email & Document Templates - Automated Notifications & Reminders - Activity Logging & Tracking

**Intuitive & Efficient Budgeting and Award tools**  
Multiple Budget Types - Manage multiple programs - Flexible Payment Options - AP System Integration (API or SFTP)

**Refined Reporting and Impactful Insights**  
Reporting - Dashboard - SDG Insights - Measure Outcomes - Ad-Hoc Report Builder - Integrated CSRconnect Reporting

**Go Global**  
Custom Form Translation - Automatic Currency Conversion - 24 Languages - Global Database of Vetted Nonprofits

## A Truly Integrated Solution

Coupled with the CSRconnect employee engagement platform, we offer a truly consolidated one-stop-shop for all of your CSR Management Needs. Make more informed decisions on grant applicants by quickly seeing their relationship to your organization through our data integration with CSRconnect. This integration gives you the ability to view how your employees and the entire Global Good Network have volunteered and given to an organization in the past.
